

Lucy Robbins Welles Library

Downloadable eBooks from Freading to the Nook.

Adobe Digital Editions must be installed on your computer prior to downloading Freading e-books. To enjoy an e-book on your device, the item must first be downloaded to your computer, and then transferred to your device.

To Download an e-book to your computer:

1. Go to <https://newingtonct.freeding.com> to access the Freading website.
2. The Freading login page will appear.
3. Locate the login button at the top right hand corner of the screen and click to access the login screen.
4. Enter your library card number and pin to log into the Freading site.
5. An EZ-1-2-3 guide will appear, review the page then select "Continue on to Freading".
6. You are now at the Lucy Robbins Welles Freading website. Note that in the upper right hand corner of the screen you can access information regarding tokens used and remaining, items downloaded and the status of the item and wish list items.
7. Search the site to locate an e-book you are interested in.
8. You can search by top downloads, new arrivals, and categories, located at the top of the site. You may also use the Advanced Search (located on the right hand side of the screen) to locate a particular item or, just browse the site.
9. When selecting a title, note that the number of tokens assigned to an item is displayed in the upper left hand corner of the book cover image.
10. Mouse over the book image you have selected and you will see a pop-up with a link to "download epub" or "download pdf". Click on the link to download your selection to Adobe Digital Editions installed on your computer. (To view a full description of the book click on the book image).
11. If you are using Internet Explorer or Firefox a screen will display asking you to Open or Save.
12. Click Open with.
13. The book will download into Adobe Digital Editions.
14. Once the book has finished downloading, it will open in the Reading View. You may read the book on your computer or continue on to transfer it to your e-reader.

To Transfer an e-book to your e-reader:

1. Connect your e-reader to the computer via your e-reader USB cord.
2. In Adobe Digital Editions select the "Library View Button" (image of 3 books) located in the upper left hand corner of the screen.
3. Click on the e-book image and hold down while you drag the e-book over to the device name (example: My Nook Color) on the left side of the screen. This will transfer the e-book to your device.
4. A screen may appear asking to authorize your device. Click on "Authorize".
5. Your e-book has now been added to your device.
6. You may now safely eject your device.
7. To locate the book on your Nook, press the upside down U button located at the bottom center of the Nook.

8. Unlock your Nook by swiping your finger along the bottom of the screen.
9. The book may display on your home screen. If not, hit the upside down U again and select "Library" to locate your book. If you do not see the book displayed in your library, select "My Stuff" then "My Files" in the upper right hand corner of the screen.
10. Open the Digital Editions folder to locate your book and begin reading.
